Please indicate on the same form if you wish to attend the banquet dinner (not included in the accommodation package). For those who wish to attend the banquet on the Tuesday evening (29/9/2020), the extra cost (£65 per head) should be paid at the Hotel. We will try to arrange that all participants are given the accommodation of their choice. You will be contacted if this is not possible. The majority of rooms in the hotel are twin, and it will be necessary to ask some to share or otherwise take a more expensive double room. We are under pressure from the hoteliers to avoid this wasteful use of their accommodation, so volunteers to share rooms - particularly amongst participants from the same institution/company - are most welcome and make this job easier and your costs much lower! Please send this accommodation form as soon as possible, **to arrive no later than 31/07/2020**, indicating your preference for the various types of accommodation.

Please remember that a request on the form is not a guarantee until a written confirmation is received.

The major credit cards will be accepted at the hotel.
